The Vyond Quick Start Workshop:
Leveraging Animated Video for More Engaging Learning!

MS ATD is pleased to co-sponsor this full-day remote workshop with Converging Solutions for the benefit of our members.
Choose one of three sessions:
April 23, 2021, 7:30 am to 4:00 pm CT
May 26, 2021, 7:30 am to 4:00 pm CT
June 25, 2021, 7:30 am to 4:00 pm CT

Do you want to create animated videos, but don't know:
- Where to start?
- How to best grab the viewer's attention?
- How to get the tool to do what you want it to do?

If you struggle with any of these questions, then this workshop is for you! Many newbie animation designers find it incredibly helpful to work with a group of experienced developers and "I'm-still-new-at-this" peers to fast-track the speed at which you learn tips and tricks to really begin producing a product you can be proud to put your name on!

Sign up for this amazingly affordable full-day remote workshop and before long you'll be producing quality work like the excerpts in this [Converging Solutions Sizzle Reel](#)!

Don't have the Vyond animation software? No problem! (See the prerequisites below.)

You'll walk away with a great start on your script, storyboard, and animated video, and with connections to peers that can keep you accountable to finish that project you've been starting, but never finishing – until now! The Converging Solutions motto is: "Together we can do more than any one of us can alone!" So come on! Experience the difference a Converging Solution can make for YOU!

Here Are The Details
Workshop Goals
This workshop provides you:
- Prompts and tips for writing more effective animated video scripts
- Hands-on experience and feedback building your own animated video using Vyond software
- Access to Vyond's annual subscription at a reduced rate

Learning Outcomes
Upon attending this session, you will be able to:
- Brainstorm a list of possible applications for video animations that might be relevant when approaching a new e-learning project
- Use animated video in place of learning objectives to capture learner motivation
- Build more effective scripts when incorporating animated videos into e-learning
- Develop a draft version of your animation script to take back to your workplace, along with specific suggestions for improvement

Recommended Prerequisites

To participate in this workshop, you should have:

1) 1-3 years of Instructional Design or e-learning development experience

2) A current learning project in mind for design or redesign

3) Clearly written lesson objectives

4) A laptop with WIFI access

5) A free trial Vyond account downloaded not more than 1-2 days prior to the event (if you don't currently have Vyond subscription)

How to Register

MS ATD co-sponsorship allows workshop participants to receive a 20% discount on registration!

To register:

1. Go to https://www.convergingsolutions.com/products/
2. Locate the workshop date you are interested in attending.
3. Upon checkout, enter the code: WORKSHOP20
